Dear Mr. Roos

SALGA hereby reconfirms its commitment to continuously work in partnership with the Association of Municipal Electricity Utilities (AMEU) as encapsulated in the spirit of the SALGA and AMEU meeting held on 16 February 2004 (**Meeting outcomes Attached**).

SALGA recognizes the fact that members of AMEU as municipal officials are active in SALGA Working Groups and Committees and play a critical role in consolidating the voice of organized local government on various issues, including Electricity Distribution Industry (EDI) matters.

We commit to ongoing collaboration to further strengthen the collective efforts of addressing challenges facing local government in terms of the Electricity Distribution Industry (EDI).

Yours sincerely

**Ms Jean de la Harpe**
